

Certification of ITAR / EAR Compliance

As one of the leading subcontract laser processing service providers, Micron Laser Technology (“MLT”) is committed to full compliance with all export control regulations in accordance to International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR). Our customers and vendors agree to MLT’s Export Policy and confirm of the following:

We agree to disclose any and all ITAR and EAR regulated product, data, and communication supplied to MLT. ITAR disclosure must be made using at least one form of electronic communications, MLT’s End User Certificated, Purchase Orders, and/or Packing Slips.

We comply with the rules and regulations of ITAR and EAR. We confirm when any product or product data is identified as ‘ITAR’ compliant, only those employees that are classified as ‘U.S. Persons’ will be allowed to send and receive physical product or electronic data/communications. Furthermore, we agree that no ‘ITAR’ compliant product information related to MLT’s provided services will be shared with any outside persons without approval from a MLT ITAR Representative.

We agree to maintain a system to monitor and control the records and data that pertain to ‘ITAR’ compliant products, and have documented evidence that employees working with ‘ITAR’ regulated products are ‘U.S. Persons’ as defined in ITAR, Sub-chapter M, Part 120.

This Certification is entered into as of _____ (“Effective Date”) by and between Micron Laser Technology Inc, having its principal address at 22750 NW Wagon Way, Hillsboro, OR 97124, and _____ (Company Name), having its principal address at _____ (Company Address).
